

SLENDERIIZ®

DROP TO DROP

Featuring two unique blends — in the form of drops you take before meals — Slenderiiz® provides a cutting-edge advantage to weight loss. Safe, effective and long lasting, these drops easily fit into your on-the-go lifestyle with proven weight loss results!

These results are not typical. The Slenderiiz Program helps you take in fewer calories than you burn via calorie-restricted eating, healthier food choices and increased physical activity. You can expect to lose up to 12 to 15 pounds in a month depending on a number of factors.

The proof is in
the pics.

SIMPLE

Three simple phases — preparation, fat burning and maintenance — remove the guesswork from weight loss and help you easily manage your diet and lifestyle for optimum results.

NATURAL

A unique homeopathic formula coupled with a patented combination of methylcobalamin (vitamin B12), biotin (vitamin H) and a blend of adaptogenic herbs controls appetite and increases metabolic rate.

EFFECTIVE

When used together, Slenderiix™ and Xceler8™ support speedy weight loss, including stubborn belly fat, and reduce the odds of “rebound” weight gain.

Slenderiix™

TINY BUT MIGHTY

Slenderiix uses a specific formula designed to assist in the release of visceral fat and subcutaneous fat — fatty deposits located under the skin. Designed to curb hunger and appetite, assist weight management and support digestive health, these tiny drops are also formulated to aid your body's endurance and stamina. Don't worry, we won't share your little secret!

Xceler8™

SPEED UP YOUR SLIM DOWN

Xceler8 is a patented combination of methylcobalamin (a form of vitamin B12 that aids in the body's ability to chemically alter substances into useful forms of fuel and neutralize destructive byproducts) and biotin (vitamin H) that works to help the body metabolize fats, carbohydrates and proteins while stimulating your metabolism.

These drops also include a proprietary blend of adaptogenic herbs that can help the body adapt to stress, enhance energy levels, stabilize mood and have a normalizing effect on body processes — think of them as the perfect supplement to your daily routine.

FREQUENTLY ASKED QUESTIONS

What does Slenderiix do?

As a hormone-free and pharmacopeia-approved product, Slenderiix is designed to assist in the release of visceral fat and subcutaneous fat, curb hunger and appetite, assist weight management, support digestive health, and aid your body's endurance and stamina.

What does Xceler8 do?

Xceler8 is a patented combination of methylcobalamin (vitamin B12), biotin (vitamin H) and a blend of adaptogenic herbs. In the proper ratios, this composite increases metabolic rate, enhances energy levels and stabilizes mood. Based on scientific evidence, this unique combination of homeopathic remedies, when coupled with vitamin B12 drops, controls appetite and increases metabolic rate, which is the amount of energy the body uses in a certain time period. When the metabolic rate increases, the number of calories that the body burns for energy also increases.

What is the recommended dosage of Slenderiix and Xceler8?

Slenderiix: Place 0.7 ml (approximately 15 drops) under the tongue for 10 seconds, then swallow. Do not eat or drink for 10 minutes before or after taking Slenderiix.

Xceler8: Take 1 ml 2 times daily, 10 minutes after taking Slenderiix drops with breakfast and lunch. Meal can be eaten immediately following Xceler8.

Can I keep using Slenderiix and Xceler8 once I've lost the weight?

Each person is different. While some achieve the results of their dreams in just one round of the Slenderiiz Program, others like to stay on the drops to help maintain their weight loss. It is completely up to you. If you feel the drops are helping even after you've hit your target weight, you can continue using them.

Can I still drink coffee and drinks containing caffeine while using Slenderiix and Xceler8?

Sure! The drops contain only a small amount of caffeine, roughly the equivalent of a quarter-cup of coffee.

Can I take Slenderiix and Xceler8 if I am allergic to one of the ingredients or am taking medication?

Always consult a healthcare physician prior to beginning any new weight loss program or dietary supplement if you have allergies or are taking medication.

Can I take Slenderiix and Xceler8 if I am pregnant or breastfeeding or have a medical condition?

Always consult a healthcare physician before beginning any new weight loss program or dietary supplement while pregnant or breastfeeding or if you have a medical condition.
